

Audit Diagnostics

**THE MOST RECENT
APPLICATIONS FILE FOR
SAPPHIRE® 350
IS NOW AVAILABLE
TO DOWNLOAD FROM
www.auditdiagnostics.ie**

**If you would like to download the application file
version 2.2 please visit:**

**[www.auditdiagnostics.ie/products/clinical-chemistry-analysers/
sapphire-350-fully-automated-chemistry-analyser](http://www.auditdiagnostics.ie/products/clinical-chemistry-analysers/sapphire-350-fully-automated-chemistry-analyser)**

***This updated software contains some
new improved parameters for the
Sapphire 350 which will improve
sample recovery for the instrument***

***If you have software different to
versions 2.04.04 or 2.6.1 please contact
us and we will give you an upgrade!***

*We would be very happy to tell you some more about this exciting new improvement.
